**SENT BY GOD**

In Amos' time the vocation of prophet had achieved a very formal status in Israel. The prophets had arisen, originally, to act as God's voice when Israel was no longer led by the spiritual/civil figures known as "judges," but by monarchs. Over time, the monarchy had appropriated the offices of priest and prophet, established them into companies, and reserved the right to appoint courtly prophets. Then, as now, when those in power also got to choose who would act as their official conscience, things sometimes went awry. At such times, God raised up prophets from unlikely places, and this is how Amos received his vocation as prophet. In last week's Gospel we heard how Jesus was raised up as God's anointed in a place many viewed as unlikely. As we continue to discern our own vocation as baptized disciples, we can be assured that we are, in Paul's words, "chosen, destined in accord with the purpose of the One who accomplishes all things according to the intention of his will" (Ephesians 1:11).

**AUGUST 15TH**

We need time to listen, to share and to plan. The Liturgical Church year is from Advent to Advent. Planning and work wise the Church work-year coincides with the school year. As a new parish we have been getting to know each other, assessing our strengths and weaknesses and looking forward to a new beginning together as followers of Jesus Christ.

Why the 15th of August? It gives us time to have a more comprehensive plan of inclusiveness, but most of all our future is placed under the protection of our Lady, on her feast day—"Assumption of The Blessed Virgin Mary".

Over the next few weeks, our parish staff along with our parish council will send you an invitation. This invitation will contain a letter asking you and your families to work with our Church for the greater glory of God. There is a fullness of God's Holy Spirit when all are invited and when the gifts of each person are appreciated. St. Teresa of Avila pray for us.

**OUR WORK—GOD'S WORK**

(From the Writings of Teilhard De Chardin)

Above all, trust in the slow work of God.  
We are, quite naturally, impatient in everything  
to reach the end without delay.

We should like to skip the intermediate stages.  
We are impatient of being on the way to something new;  
and yet it is the law of all progress  
that is made by passing through  
some stages of instability—  
and that it may take a very long time.

And so I think it is with you.  
Your ideas mature gradually—  
let them grow, let them shape themselves,  
without undue haste.  
Don't try to force them on,  
as though acting on your own,  
you will make your own tomorrow.

Only God could say what this new spirit  
gradually forming within you will be.  
Give our Lord the benefit of believing  
that his hand is leading you,  
and accept the anxiety of feeling yourself  
in suspense and incomplete.
