**Twenty-ninth Sunday in Ordinary Time
October 19, 2008**

“Repay to Caesar what belongs to Caesar,
and to God what belongs to God.”

— *Matthew 22:21*

POWER STRUGGLE

Power struggles occur on every level of society, from the world stage to relationships at work, to our own homes. We struggle for position in the hierarchy of power: Who has power over whom?

How do they wield it? What is the source of that power? What is the healthy response?

In this Sunday’s Gospel reading the Pharisees engage Jesus in a power struggle over whether Jews should show tribute to Caesar by paying taxes. Jesus’ response puts this and every struggle for power into perspective. In harmony with the words of Isaiah and Paul, Jesus teaches us that God is the ultimate source of all power—the power of earthly rulers, the Pharisees, Jesus, the Church, and the power within ourselves.

CONFIRMATION

In Ezekiel Chapter 37:1-14, God promises to place a new spirit within His people. He would give them hearts of flesh instead of stony hearts. "I will put my Spirit in you that you may live—I have promised, and I will do it, says the Lord." God offers us a life full of enthusiasm, a word from the Greek, meaning "in God". When we receive the sacraments we accept God's gift of Himself. In Romans 8:26 "the Spirit too comes to help us." The Spirit dwelling within us, gives our efforts, our joys and sufferings the same nobility we see in the life and struggles of Christ.

Confirmation is a special day of God's grace for the confirmandi, the families and the community. Bishop Soto will confirm our young people on Monday, October 20, 2008 at 7:00pm. Please join your prayers with those of our young people on Monday evening and may the Holy Spirit bless and renew us.

Giggles: The priest was summoned to the bedside of a catholic in the neighboring parish. The priest after giving the last rites to the patient said to her daughter: " I'm very glad you called me to give the last rites. Is your pastor out of town?" "No," answered the patient's daughter. "He's at home, but we thought it might be something contagious, and we didn't want to expose him to it."

A woman calls her insurance company. "Our house burnt down and I want \$200,00," she says. "It doesn't work like that" replied the insurance agent. "We will give you enough money to get another house of equal value". The woman is silent for a few moments, then says, "in that case I'd like to cancel the policy on my husband."
