GOD’S WORK

We are so busy! Most of us have more than one job to do, and we never seem to have enough time. We are workers, volunteers, parents, friends, and most of us are more than one thing at a time. But which of these is the work of God?

We seldom view our ordinary work as being the work of God. We may think that we have to be ministers or priests, missionaries or charity workers, engaged full-time in works formally identified as being “God’s work.” But everything we do with a faithful heart and with love for others is God’s work. We each have our own role to fill in the world, and many gifts are necessary. We cannot always see the direct connection of our daily work to the plan of God. But we trust and we believe that God leads us to do what is needed, where it is needed. What is “God’s work?” “This is the work of God, that you believe in the one he sent” (John 6:29).

DREAMS AND VISIONS
Pastoral Planning for Lifelong Faith Formation

Setting the Church on fire!

Dreams and Visions suggests a plan to move in the constant direction of lifelong faith formation by establishing a pattern of growth, step-by-step, little by little. *Dreams and Visions* suggest a strong plan of formation for the whole community. The Core Work is quite simple. It's the concept which comes to us from the popes and bishops, but also directly from the Gospel, and from the spiritual insight of almost everyone! And that Core Work, of course, is the center point of *Dreams and Visions*.

Every single dimension of pastoral planning suggested here leads always to and from this core: **to help people experience an initial encounter with Christ, or to grow into deeper communion with God, or to turn one's heart toward Christ, or to go through a conversion**, or to be part of the "new evangelization" described by John Paul II. However you name it, there is one central vision here: **Help people deepen their communion with Christ and you will light a fire in your parish!** That is the dream and vision of the core committee!

We sometimes settle for so little as parish workers and members! We're still willing to accept the modest goal of balancing a budget or not making anyone angry in the parish! What is that about? It's about safety and security. But growing the parish requires risk, danger, and maybe even our very lives! It requires us to do what Pope John XXIII did when he was inspired to call Vatican II. The idea of a council, he later said, appeared to him "like a flash of heavenly light." He trusted that flash, and in his own modest yet determined way he changed the course of history and all our lives.

Next week I will complete the vision and invite a commitment from those of you "whose hearts are burning within" as you discern your call to join me in this "Core Committee."

Maria: Here it is.

Teacher: Correct. Now class, who discovered America?

Class: Maria.

Teacher: John, why are you doing your math multiplication on the floor?

John: You told me to do it without using tables.

Teacher: Winnie, name one important thing we have today that we didn't have ten years ago?

Winnie: Me!

HAVE YOU MET OUR DEDICATED TEACHERS?

My name is JoAnn O'Donnell and I am the 8th grade teacher at St. Joseph's School. I received my A.A degree from Sierra College and my teaching credential from Chico State.

What keeps me coming back to school is the children—their energy, enthusiasm, and sense of humor. I have always wanted to be a teacher, but my first 2 years of high school were just “not my thing.” After years in the public sector, I still wanted to teach, so I went back to school and received my Elementary Teaching Credential. I believe God was with me because as I got my second credential, in 1987 I began teaching at St. Joseph's. I love the challenge of the kids. The greatest gift that these students give me is the light in their eyes when they finally understand a concept, when they have done their very best on a project or assignment.

I cannot think of teaching where the love of God is not part of the daily life and curriculum. Discipline too has to have God in the mix and I love to challenge the eighth grade students with thought provoking questions about God and their lives. God is central to my life and I want God to be the same for the students.

They are our future and a future with no God is a future of which I want no part. God has given me so much and I want the students to be able to say the same thing about their lives!

ST. JOSEPH PRESCHOOL is now accepting applications for the fall session. We accept children from the ages of 3 to 5 years old.

The mission of St. Joseph Preschool is to provide for the teaching of the Whole Child within the Catholic Christian Tradition. Our ministry is to provide a well-rounded curriculum in a caring, nurturing environment, which enables children to grow in love of God and neighbor. As reflected in our philosophy and school-wide goals, we strive to empower our children to live a Christian life and become responsible members of a global society and their Church as expressed through the traditions, philosophy and practices of the Roman Catholic Faith. For more information, please contact Jaime Anderson at (530) 823-1822.

One day. One night. One community. By participating in the American Cancer Society Relay for Life, August 15th & 16th, Gold County Fairgrounds, you honor cancer survivors, pay tribute to the lives lost to the disease and raise money to help fight it—all night in your community.

Much more than a walk around the track., Relay is a time to celebrate those who have battled cancer, remember those lost and get inspired to fight back. Those who have shared the same experience find common ground, hope and healing at Relay. By participating, you have the power to continue the America Cancer Society's progress toward a future where cancer doesn't take the lives of our friends and family.

The Knights of Columbus Council 6149 and a Catholic team will take turns (one hour segments) walking around the field for 24 hours (that's 24 consecutive hours from 10:00am to 10:00pm). While people are walking, there will be entertainment, speakers, time to relax and reflect, support, and companionship.

During the Luminaria Ceremony, Saturday night at 8:45pm each light honors the community's cancer survivors and commemorates those lost to the disease are read aloud. Luminarias can be purchased for \$10.00. The Knights will set up an area during the event which will have food, beverages, and shade from the sun.

We need your help! We have lost a lot of Brothers and family members to this disease. We want big participation in this event. We are signing up walkers and sponsors (Business Card Supporters—\$100.00, Bronze Sponsorship—\$500.00) If you would like to walk, sponsor, donate or just hang out for moral support, or have any questions contact—Faber Eaves (530) 305-3242—Fax: 530-878-6747. Send donations to: Knights of Columbus P.O. Box 4604, Auburn, CA. 95604. Make checks payable to American Cancer Society
