I am the living bread that came down from heaven.

— John 6:51

STRENGTHENED BY THE BREAD OF LIFE

Today we resume the “Bread of Life” discourse from John’s Gospel that began two weeks ago. He makes reference to the Jews’ ancestors who ate manna in the desert. These days we would think primarily of Israel wandering in the desert, but faithful Jews would also have known the story of Elijah that we hear today. Strengthened by food and drink in the desert, the angel of the Lord sends him on his forty-day and forty-night journey (the biblical number for a preparation time). Like the food given to Elijah in the desert, Jesus tells his listeners that he is bread for the life of the world. It is very important that we not stop listening to Jesus after his promise of eternal life—a marvelous promise, but this “reward” is not the only reason we feast on the Bread of Life. We also come to the table to be made strong for the journey of mission, that the whole world might have life in the fullness of Christ. We are compelled, if we have eaten of the bread of life, to go forth in service to all.

DREAMS AND VISIONS
Pastoral Planning for Lifelong Faith Formation

A FLASH of HEAVENLY LIGHT

We as a church can do so much more to announce the Reign of God! We Catholics have a true heart for the poor; we love the liturgical flow of the year; we believe in defending the rejected and the forgotten; we're big enough to embrace everyone, and boy, do we know how to bury the dead! There's just nothing quite like a Catholic funeral!

Now the task is upon us. Don't settle for being merely a good parish. Don't pass from one year to the next repeating the same pleas for engagement on the part of your members. Don't sit back and wait for the ones coming after you to do this. The Dreams and Visions Team provides a road map toward a new horizon, one that is promised to us by Christ, in the Spirit. Step forward and move your parish from being good to being truly great! As Father Mike says lets move up another gear!!

I need what Jesus needed 12 good members—dreamers and visionaries—who will lead us forward. Is your heart burning within you as you hear this call? Can you risk danger, go out on a limb and bear the flash of heavenly light?

I need 3 to 4— 18-35 year olds, 3 to 4— 35-60 year olds and 3 to 4—60—to eternity year olds to join me on this quest. Will you pray about this and call the parish office-(530) 889-2254 this week. Now you have it!! Sister Anita

BACK TO SCHOOL LESSON

A little girl walked to and from school daily. Though the weather that morning was questionable and clouds were forming, she made her daily trek to the elementary school. As the afternoon progressed, the winds whipped up, along with lightning. The mother of the little girl felt concerned that her daughter would be frightened as she walked home from school and she feared the electrical storm might harm her child. Full of concern, the mother quickly got into her car and drove along the route to her child's school.

As she did, she saw her little girl walking along. At each flash of lighting, the child would stop, look up, and smile. Another and another flash of lighting followed quickly and with each the little girl would look at the streak of light and smile. When the mother's car drew up beside the child, she lowered the window and called to her. What are you doing? The child answered, I am trying to look pretty because God keeps taking my picture.

CHILDREN AND THE CHURCH

A little boy was attending his first wedding. After the service, his cousin asked him, "How many women can a man marry?"

"Sixteen," the boy responded. His cousin was amazed that he had an answer so quickly.

"How do you know that?"

"Easy," the little boy said.

"All you have to do is add it up, like the pastor said,

4 better, 4 worse, 4 richer, 4 poorer

**HAVE YOU MET
OUR DEDICATED
TEACHERS?**

My name is Debi Buresh and I am the PE teacher and

Athletic Director at St. Joseph Catholic School. My husband, Steve, and two boys, Colin and Cory, are a very supportive part of my career at the School. We have been privileged to have our children attend and graduate from St. Joseph's School. Our family has been very blessed that St. Teresa's Church has been a very integral part of our foundation and faith community.

I have been a preschool teacher and fourth grade aide since 1989. For the past ten years, I have been the PE teacher and Athletic Director. I am also the advisor for Student Council and the Liturgy Team. I feel privileged to have FUN and very active jobs at St. Joseph School. My focus is on health and physical fitness with FUN for all who participate. It has been such a joy watching the children grow, explore, and find their own God given talents as well as athletic abilities. Being a part of St. Joseph School includes being a part of the active community here at St. Teresa of Avila Church.

God Bless,
and
GO COUGARS!

One day. One night. One community. By participating in the American Cancer Society Relay for Life, August 15th & 16th, Gold County Fairgrounds, you honor cancer survivors, pay tribute to the lives lost to the disease and raise money to help fight it—all night in your community.

Much more than a walk around the track., Relay is a time to celebrate those who have battled cancer, remember those lost and get inspired to fight back. Those who have shared the same experience find common ground, hope and healing at Relay. By participating, you have the power to continue the America Cancer Society's progress toward a future where cancer doesn't take the lives of our friends and family.

The Knights of Columbus Council 6149 and a Catholic team will take turns (one hour segments) walking around the field for 24 hours (that's 24 consecutive hours from 10:00am to 10:00pm). While people are walking, there will be entertainment, speakers, time to relax and reflect, support, and companionship.

During the Luminaria Ceremony, Saturday night at 8:45pm each light honors the community's cancer survivors and commemorates those lost to the disease are read aloud. Luminarias can be purchased for \$10.00. The Knights will set up an area during the event which will have food, beverages, and shade from the sun.

We need your help! We have lost a lot of Brothers and family members to this disease. We want big participation in this event. We are signing up walkers and sponsors (Business Card Supporters—\$100.00, Bronze Sponsorship—\$500.00) If you would like to walk, sponsor, donate or just hang out for moral support, or have any questions contact—Faber Eaves (530) 305-3242—Fax: 530-878-6747. Send donations to: Knights of Columbus P.O. Box 4604, Auburn, CA. 95604. Make checks payable to American Cancer Society
